Ms. Barbara Thomas, Executive Director
Family Values Resource Institute
1771 N. Loddell Blvd
Baton Rouge, LA 7080

Dear Ms. Thomas.

RE: Approval for Funding
FY08 TANF — After School for All (ASFA)
Period: October 1, 2007-August 31, 2008

Congratulations! At its August 16, 2007 meeting, the State Board of Elementary and Secondary Education approved the Department's recommendation to fund Family Values Resource Institute. The contract amount will be \$105,666 for provision of TANF-ASFA services for the referenced period. Please note that the initial start date of the contract period for TANF services referenced has been changed. • This is to allow for time to fully process and execute contract and to accommodate the budget review cycle

Enclosed is the contract package, including all required documents that must be completed and returned to this office no later than August 28, 2007. If Family Values Resource Institute proposed budget was not fully funded, a revised budget and set of revised calendar must be submitted. Enclosed also are relevant instructions and guidelines to assist you in completing these forms.

Please be advised that an important change has occurred with the budget review cycle. In order to fully execute your contract, the budget must be approved by the Division prior to August 31, 2007. Failure to have a fully approved budget will result in significant delays in program start time. Therefore, we ask your cooperation in responding to any Division inquiries and requests as quickly as possible.

If we may be of further assistance to you, please contact Andrala Walker, Director of the Division of School and Community Support, at (225) 342-3906, the toll-free number above, or email her at andrala.walker@la.gov.

Sincerely,
Donna Nola-Ganey
